

# EL RAYO T&T TERRACE

We're excited to have partnered with El Rayo Tequila to bring a sophisticated summer serve to London's cultural South Bank. Putting tequila slammers to bed, this 100% agave tequila paired with tonic and a slice of grapefruit is a surprising, vibrant drink, it's fresh, clean and natural flavours provide a welcome alternative to gin.

**100% NATURAL. 100% AGAVE. GLUTEN FREE. VEGAN**
